

Looking for employees? Let us help make finding talent easier.

Talent Connection Services at the Flint & Genesee Chamber of Commerce are dedicated to helping you find the talent you need. Our team helps employers navigate the daunting task and environment of finding qualified and available talent.

PLAN

Assess the employer's needs and timelines

- Review available workforce resources and programs
- Develop an individually tailored plan for finding talent

FIND

Market vacant positions with traditional and non-traditional avenues

- Facilitate job fairs to attract qualified people
- Serve as a drop-off point for resume collection
- Assist in screening and assessment of candidates
- Interview preparation for job seekers

ALIGN

Connect employers to appropriate local and state workforce resources

- Convene partners and other employers to strengthen the employer talent resources
- Share best practices for recruitment and hiring
