Welcome to Davison Township PARKS & FACILITIES

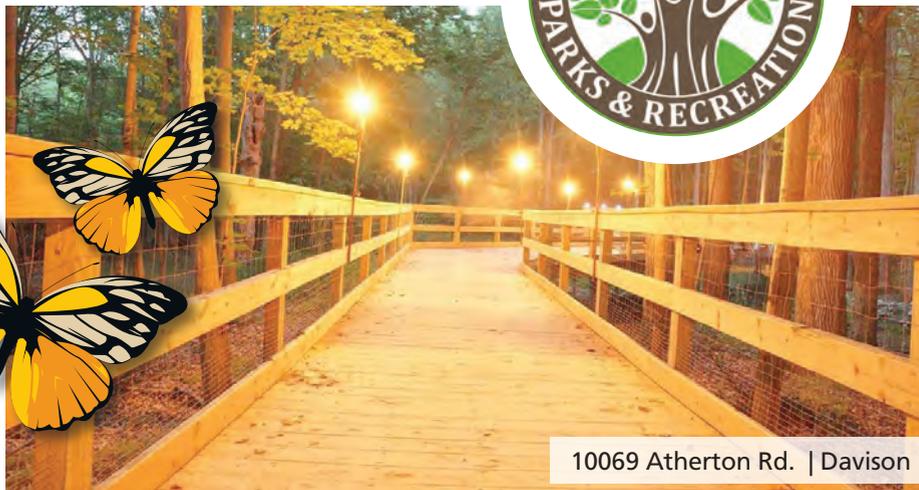

4010 S. State Rd. | Davison

■ KITCHEN SCHOOL

Kitchen School, located at Bristol Road and M-15 in Davison Township, was named for Silas Kitchen one of the area's first residents. The building is dated to circa 1860.

From its beginning, Kitchen School operated under the Rate Bill System for its funding. This system which was authorized by the state legislature in 1839 allowed district children fees or rates in proportion to the number of students and the number of days they attend school.

The building has been restored by the Davison Township Board of Trustees and many volunteers. It is currently used for field trips, meetings, and special events. Visitors to the school can experience what a school day was like in the early half of the 20th century with an old fashioned school bell, wooden desks and slates for math and English lessons. Wooden desk can be removed and replaced with banquet tables and chairs for private rentals.

10069 Atherton Rd. | Davison

■ ROBERT WILLIAMS NATURE AND HISTORICAL LEARNING CENTER

This 100-acre park is located at 10069 Atherton Rd., just west of State Rd. The original parcel was donated to Davison Township by Robert and Jill Williams to be used for the enrichment of the Davison community to preserve nature, history and provide an educational opportunities for residents.

The Williams site houses a number of buildings. On Williams Parkway, the first building on the left is designated for Davison Community Schools educational programming. The Davison Township Historical Museum is the next building on the right and houses many artifacts from early families and businesses that helped to grow the Davison area. The last building or Karen Miller Event Center at the end of the parkway houses the Department of Parks and Recreation events, and outdoor education programs. (See

DTParks.org for upcoming programs) This building is also available for rent for private parties and special events.

In 2017 Davison Township received two grants, one from Land and Water and one from the DNR Trust to enhance this property. With those grants a pavilion and restroom facility were added onto the Karen Miller Event Center and a beautiful bridge was constructed connecting the trail systems from the east to west side of the property. The Kurt & Marge Soper Nature Center and parking lot were also added to the west side of the property. This building is used for Department of Parks and Recreation programming and events. This building is also available for rent for private parties.

The non-motorized trail system consists of approximately 3 miles of beautiful limestone trails that traverse the hilly terrain and allow you to enjoy its amazing beauty.

1280 N. Irish Rd. | Davison

■ DAVISON TOWNSHIP PARK & VETERANS COURT OF HONOR

The township park, located at the Davison Township Municipal Center, 1280 N. Irish Rd., was developed with the idea to inspire and memorialize our veterans. The park was built with donations from area businesses and individuals in conjunction with

the Township Board. The Hank Graff Gazebo is the perfect spot for weddings, graduation pictures or a quiet place to enjoy the beautiful gardens, walkways and seating areas. The gazebo is available to rent for your special occasion.
