A KITCHEN SCHOOL 4010 S. State Rd. | Davison

Kitchen school is at Zirnelt park located at Bristol Road and M-15 in Davison Township. The building was named for Silas Kitchen one of the area's first residents. The building is dated to circa 1860.

From its beginning, Kitchen School operated under the Rate Bill System for its funding. This system which was authorized by the state legislature in 1839 allowed district children fees or rates in proportion to the number of students and the number of days they attend school.

The building has been restored by the Davison Township Board of Trustees and many volunteers. It is currently used for field trips, meetings, and special events. Visitors to the school can experience what a school day was like in the early half of the 20th century with an old fashioned school bell, wooden desks and slates for math and English lessons. Wooden desk can be removed and replace with banquet tables and chairs for private rentals.

B ROBERT WILLIAMS NATURE & HISTORICAL LEARNING CENTER 10069 Atherton Rd. | Davison

This 100-acre park is located at 10069 Atherton Rd., just west of State Rd. The original parcel was donated to Davison Township by Robert and Jill Williams to be used for the enrichment of the Davison community to preserve nature, history and provide an educational opportunities for residents.

The Williams site houses a number of buildings. On Williams Parkway, the first building on the left is designated for Davison Community Schools educational programming. The Davison Township Historical Museum is the next building on the right and houses many artifacts from early families and businesses that helped to grow the Davison area. The last building or Karen Miller Event Center at the end of the parkway houses the Department of Parks and Recreation events, and outdoor education programs. (See DTParks.org for upcoming programs) This building is also available for rent for private parties and special events.

In 2017 Davison Township received two grants, one from Land and Water and one from the DNR Trust to enhance this property. With those grants a pavilion and restroom facility were added onto the Karen Miller

Event Center and a beautiful bridge was constructed connecting the trail systems from the east to west side of the property. The Kurt & Marge Soper Nature Center and parking lot were also added to the west side of the property. This building is used for Department of Parks and Recreation programming and events. This building is also available for rent for private parties.

The non-motorized trail system consists of approximately 3 miles of beautiful limestone trails that traverse the hilly terrain and allow you to enjoy its amazing beauty. In 2022 Davison Twp Parks received a large donation from Cooper Companies and a grant from the Davison Community Fund to install the Cooper Low Ropes Course. This is located along the Robin Run trail. The course has 12 different elements from a zig zag rock wall to hanging tires to climb across. The course was built by Obstacle Builders LLC out of Arizona. Adding in a Low Ropes Course will aid in Youth Development, Community Building Activities, Health and Wellness, as well as enhancing Outdoor Recreation. The course will be open to the public to use at their own risk but will also be available for private rentals for Team Building.

C DAVISON TOWNSHIP PARK & VETERANS COURT OF HONOR

1280 N. Irish Rd. | Davison

The township park, located at the Davison Township Municipal Center, 1280 N. Irish Rd., was developed with the idea to inspire and memorialize our veterans. The park was built with donations from area businesses and individuals in conjunction

with the Township Board. The Hank Graff Gazebo is the perfect spot for weddings, graduation pictures or a quiet place to enjoy the beautiful gardens, walkways and seating areas. The gazebo is available to rent for your special occasion.

D BLACK CREEK NATURE TRAIL

1280 N. Irish Rd. | Davison

The Black Creek Nature Trail is a paved, non-motorized trail that begins at the Davison Township Municipal Center on 1280 N. Irish Road and runs east along the Black Creek to join the Abernathy Park Trail in the City of Davison. The trail

is an ongoing project with sidewalks being added that will connect the Township to the City of Davison at various points around the Davison area. Parking is also available in the Dog Park and Abernathy Park. The trail is open from dawn to dusk year-round.

E DAVISON AREA DOG PARK

1285 N. Gale Rd. | Davison

The Davison Area Environmental Team in conjunction with area volunteers and community businesses provided an off-leash dog park for the community to let their dogs exercise and play. The park is located adjacent to the Black Creek Nature Trail on three acres of property,

between Davison Road and Court Street, just south of the railroad tracks. It was the first of its kind in Genesee County with a small dog area and an all-dog area. The pavilions are supplied with electricity and can be rented. The park is open from dawn to dusk year-round.

F LAKE CALLIS RECREATION COMPLEX

1152 N. Gale Rd. | Davison

The Lake Callis Recreation Complex, named after the late Bob Callis who raised funds to purchase the property located at 1152 N. Gale Rd., is 40 acres of recreational fun acquired through the efforts of Bob Callis, the Davison Township Board of Trustees, numerous volunteers, and Davison Township DDA funds.

This is a seasonal pay-to-use park which includes an 18 acre swimming lake with a large beach area, changing rooms, 6 NCAA

rated sand volleyball courts with lighting, 100' x 100' dry deck Dash 'n' Splash pad, Beach Treats concession stand, Randall V. Steward Grand Pavilion with stage and electricity, 7 smaller pavilions, Tiki Hut with electricity and private beach area, scenic wetland trail, observation dock, fishing area, gaga pit, paddle board rental and many programs and activities year round. The pavilions, tiki hut, observation deck and volleyball courts are all available for rent.

Nerf Wars

Grab your favorite Nerf gun and prepare for battle! We will be turning a portion of Lake Callis into a nerf war zone. We will split participants into two teams and play a variety of games for a full hour. Players can bring friends to battle with them, their own trusty nerf gun, and lots of nerf ammunition. Games will include variations of Capture the Flag, Team Elimination, and Zombies. Bringing your own Nerf supplies is required. Sessions are separated by age group. Participants may play in the older age bracket but will not be permitted in the younger.

Learn to Paddleboard

Have you ever wanted to try or learn the correct way to navigate on a stand-up paddle board? If so, then you will want to come join our experienced paddle board instructor for this one-hour class. They will teach you the basics of using a stand-up paddle board, therefore you will feel more comfortable out in the open water when using one. DTPR will provide the paddle board and life jackets, just show up and get ready to have some fun.

Paddleboard Yoga

This unique activity combines a variety of yoga postures with a stand-up paddle board. Our SUP yoga instructor adjusts to the status of the participants, according to their abilities and prior experience with yoga. Standing erect on the waters of Lake Callis gives you the feeling, and appearance, of walking on water. It's also a great way to get fit, as you work the legs and core to stay up on the board and the arms and back to propel yourself. If you're looking for a new challenge, paddle board yoga is the perfect class for you!

NEWS IN THE PARKS

We are excited to announce that in October 2023 Davison Township Parks and Recreation was awarded a Grant in the amount of \$970K from the American Rescue Plan Act Local Parks and Trails – Michigan Spark Grant through the Michigan Department of Natural Resources. This grant will allow us to renovate the existing sand volleyball courts at Lake Callis Recreation Complex into multi-use sports courts. The area will include Basketball, Tennis, and Pickleball Courts, Four Square, Shuffleboard, Handicap parking, and Bleachers. In the winter, the surface will have the capability to be converted into a full-sized ice rink. DTPR staff are busy working on the plans and details in hopes to break ground this fall (2024). The completion of the project is expected to be done no later than December of 2026. Therefore, while visiting Lake Callis over the next few years you may notice certain areas blocked off for construction. Please be patient and know there are good things coming. Thank you.
