PUBLIC COMMENT

Public comment opened at 10:02 a.m.

Residents voiced their concerns about the location of the new building, the firing range, the cost and if it will raise taxes, get bonds to help pay over time, possibly look into grants, need better technology, just be transparent with the residents, on board with possibly a new building for safety issues, growing as a township, some want to keep the township in its current location, what happens with the Veterans Court, want to see cost analysis, maybe get an indoor firing range.

Public comment period closed at 10:16 a.m.

NEW BUSINESS

NEW TOWNSHIP BUILDING WORKSHOP

Slezak – goes through timeline (See attachment); then goes through slide show of the plans from when it started to where we are now with it.

The public voiced their concerns and comments.

Board members voiced their opinions and comments; discussed that the township is growing and need to look into the future, not just a couple years out; glad to get input from the residents; possibly look at just building a new police station out front of the building and revamping the old building; look at the cost for that before we move forward with the whole new building on Davison Road.

ADJOURNMENT

MOTION BY TALLMAN, SECOND BY LEFFLER to adjourn at 11:46 a.m. Motion carried unanimously.

Jim Slezak, Supervisor

Michael T. Leffler, Clerk
